

Pack 125 Rocketeer Competition

“Mission: Mars & Back”

As a **Team scouts will be challenged** to select their launch site within defined boundaries...several factors will need to be considered e.g. Wind (speed & direction), terrain (launch pad placement), etc. while implementing safe launch procedures.

Rules & Competition

Scouts within the Pack will be divided into 3 teams. Parents, Guardians and Grandparents are welcome to participate.

Each team will have two – opportunities to launch the team rocket.
> Round 1 Launch > Each team will conduct their 1st launch.
> Round 2 Launch > Each team will conduct their 2nd launch.

Teams will compete to conduct a safe Lift-Off, returning their rocket “on or nearest” to the Landing Zone.
> The Team “On or Nearest” the Center of Landing Zone will take home the “Gold Rocketeer Medal”.
> The Team Landing in the “2nd Closest Position” will take home the Silver Rocketeer Medal.
The Team Landing 3rd Closest Position will take home the Bronze Rocketeer Medal.

Scouts and their teams will be challenged to locate their launch sites in positions they deem most desired to successfully launch in or nearest the landing zone by evaluating Weather Conditions: wind direction / speed, gust, cloud cover, etc.

Once the Launch Officials Announce “Launch Time” Teams are not permitted to relocate launch positions until all Round Launches have concluded.

Teams may re-adjust and change launch positions for Round 2 launches.
