The discovery of a few gold flakes at Sutter’s Mill has sent thousands of adventurers streaming westward, hoping to find their fortune. Now you can join the excitement by rushing to Camp Tuckahoe this summer!</p> <p>You’ll be greeted upon your arrival and quickly incorporated into the life of our frontier boomtown. Scouts will meet the many characters; cowboys, blacksmiths, miners, and more who will work with them throughout the week.</p> <p>But ... you’ll soon discover that all’s not well in our little town, for a gang of outlaws has been threatening to take charge! Perhaps the arrival of a new sheriff – and the help of his many Scout deputies – will bring peace and prosperity back to Tuckahoe!</p> <p>The skills your Scouts will learn along the way, and the memories they’ll make, will guarantee this to be one summer camp you’d rather not miss! So join in the fun! We encourage you to work with your Scouts to prepare theme-related costumes to wear throughout the week.</p>	<p>Registration & Deposit due by: February 1, 2020</p> <p><u>Deposit at time of Registration:</u> \$50.00 for each Scout and Adult Partner</p> <p><i>Fee’s to attend Camp:</i> <i>Paid is Full on/or before May 31st:</i> \$160.00 for Scout \$80.00 for Adult Partner <i>After May 31st:</i> \$185.00 for Scout \$80.00 for Adult Partner</p> <p><u>Camperships</u> In Council families requesting financial assistance must submit a Campership Application by April 1st.</p> <p>Campers: A Parent or Guardian must accompany Scouts camping.</p> <p><i>Important Note:</i> All adults and parents planning to attend New Birth of Freedom Council summer camp programs need to obtain the necessary background clearances now mandated by state law.
